

Exhibit Developer Youth Position

Company Description

Based in Smithers, BC, the Bulkley Valley Research Centre (BVRC) is a non-profit organization with a mission to encourage collaboration in natural resource management initiatives. The BVRC and Eclipse Geomatics Ltd (EGIS) have partnered on the Augmented Reality Sandbox exhibit – an interactive spatial visualization tool built by EGIS that delivers a wide range of watershed education opportunities. The Sandbox is now available for use or rental to interested educators and organizations.

Job Description

The Exhibit Developer will work under the direction of the Information Specialist at EGIS to develop additional features and improve the functionality of the Augmented Reality Sandbox Watershed Exhibit. See <http://eclipsegeomatics.com/sandbox/> for more information regarding the Sandbox Exhibit. Primary duties of the Exhibit Developer will include developing program enhancements and assisting with special events and educational sessions as required.

Employment Period: Seasonal position of 16 weeks with a start date of May 6, 2019 (negotiable and contingent on funding)

Hourly Wage Rate: \$15.00/hr (35 hours per week)

Some evening and weekend work may be required. It is expected some travel will be involved as the student will be engaged in local events across Northwest BC.

Qualifications

- Preferred areas of study include computer science, software development, or a related field.
- Some programming knowledge on Ubuntu including shell scripting and computer hardware compatibility.
- Excellent communication skills with ability to interact positively with kids, youth, and the general public.
- Ability to work independently and as part of a team.
- Training and/or interest in geography or GIS an asset.

***Funder Qualifications: All applicants must meet the Canada Summer Jobs (CSJ) eligibility criteria. Applicants must be Canadian citizens, permanent residents, or refugees between the ages of 15-30. Preference may be given to applicants who meet the criteria for underrepresented youth as per the CSJ2019 applicant guide (https://www.canada.ca/content/dam/canada/employment-social-development/services/funding/CSJ2019_applicant_guide.pdf). Please review the criteria for the CSJ program carefully before applying.
